

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

DISABILITY EXAMINER

JOB DESCRIPTION

Employees in this job complete and oversee a variety of professional assignments to ensure that all medical and personal information meet program evidentiary standards for the evaluation and determination of eligibility for Social Security Disability Insurance (SSDI), Supplemental Security Income (SSI), State Disability Assistance (SDA) and/or related work exemption or deferral programs based on medically determinable impairment. The work entails extensive gathering of medical and personal histories and the application of laws, rules, regulations, and policy directives in the determination process.

There are four classifications in this job.

Position Code Title – Disability Examiner-E

Disability Examiner 9

This is the entry level. As a trainee, the employee carries out a range of professional disability examiner assignments while learning the methods of the work.

Disability Examiner 10

This is the intermediate level. The employee performs an expanding range of professional disability examiner assignments in a developing capacity.

Disability Examiner P11

This is the experienced level. The employee performs a full range of professional disability examiner assignments in a full functioning capacity. Considerable independent judgment is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

Position Code Title – Disability Examiner-A

Disability Examiner 12

This is the advanced level. The employee may function as a lead worker or senior worker. At this level, employees are responsible for overseeing the work assignments of others professionals or have regular assignments which have been recognized by Civil Service as having significant greater complexity than those assigned at the experienced level in the series. Recognized senior level assignments are in the areas of Quality Appraisal Authority, Case Adjudication Authority, Medical Information Coordinator, Policy Development Specialist, Case Specialist, and a member of the Medical Review Team or State Hearing Review Team, which will be through appointments to established positions. Use of the universal senior standards will be precluded for position reallocations.

DISABILITY EXAMINER

NOTE: Employees generally progress through this series to the experienced-level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Reviews and analyzes disability claims for social security and supplemental security income benefits, state and federal medical assistance programs, exemption/deferrals from employment programs in cooperation with a review physician, and determines eligibility.

Gathers medical/work history and social data is needed, and, if necessary, makes arrangements for special examination by medical specialists.

Determines if additional medical data is needed, and, if necessary, makes arrangements for special examinations by medical specialists.

Advises and train agency staff on better ways to prepare and maintain social case histories, case summaries, case records, and correspondence.

Prepare written determination summarizing findings and providing rationale for eligibility decisions.

Recruits and trains contract physicians to assist disability determination.

Contacts physicians, hospitals work establishments, claimants, or other sources by telephone to collect necessary data as needed.

Develops and maintains working relationships with community agencies and professional and medical personnel to ensure availability and provision of supportive services for clients.

Prepares written reports of all contacts to ensure legality of documentation.

Provides expert testimony and/or representation in hearings and appeals.

Conducts field visits to gather supplemental information, if necessary.

Grants provisional disability awards for applicants in financial need if appropriate.

Assesses applicants' rehabilitation potential and makes appropriate referrals for services.

DISABILITY EXAMINER

PAGE NO. 3

Reviews progress of claimants receiving benefits and/or medical assistance based on disability to determine if benefits should be terminated or continued.

Assist in the evaluation, preparation, and presentation of appeals for supplemental security insurance benefits.

Assesses vocational issues to determine if other jobs can be done by claimant.

Assesses impact of disability laws, regulations, and/or procedural changes and provides training to affected staff/community providers.

Maintains records and prepares reports and correspondence related to the work.

May perform related essential functions appropriate to the class and other non-essential functions as required.

Additional Job Duties

Disability Examiner 12 (Lead Worker)

Oversees the work of professional staff by making and reviewing work assignments, establishing priorities, coordinating activities, training staff, and resolving related work problems.

Disability Examiner 12 (Senior Worker)

Performs on a regular basis professional disability examiner assignments which are recognized by Civil Service as more complex than those assigned at the experienced level. The recognized pre-approved senior concept for this classification are: (1) Quality Appraisal Authority; (2) Case Adjudication Authority; (3) Medical Information Coordinator; (4) Policy Development Specialist; (5) Case Specialist; and (6) a member of the Medical Review Team or (7) State Hearing Review Team.
